# Senior

Welcome Class of 2025

You are now part of the Keane Seniors family. It is an honor being entrusted with the photography for many of San Diego's finest students. We hope you enjoy your experience with our studio and encourage you to express the unique person you are, both inside and outside of the camera room. Congratulations!

# SENIOR FAQ:

## **What is the difference between a Yearbook Portrait and Senior Portraits?**

A Yearbook portrait is the traditional headshot that appears in the yearbook while Senior Portraits refer to a custom photography experience creating images for personal use and display.

## **Am I required to do a custom session or purchase a package with your studio to be in the yearbook?**

No, while you are required to have a yearbook portrait taken by Keane Studios, you are not required to buy anything extra. We have headshot only sessions available.

## **What if I just want the traditional yearbook headshot for the yearbook?**

We have Yearbook headshot only sessions available in studio as well as a complimentary photo day on your school campus in the fall. Please refer to the last page in this guide for more info.

**Did you know:**  
You can book a YB headshot session now and a custom session in the spring! See the last page for details.

# SENIOR FAQ:

## Does my school require I wear a tux or drape?

No, it is no longer a requirement for any of our seniors to wear a tux or drape, however the option is available by request during **2-outfit or 3-outfit sessions**.

## What about Cap & Gown portraits?

The cap and gown is only available during custom studio sessions (2 & 3 outfit or studio + location/courtyard). We also host Cap & Gown mini sessions in the spring before graduation with special online pricing.

## Can I request the Cap & Gown or Tux/Drape during my headshot session?

No, due to the session length, we cannot accommodate those requests. The focus is to get the best yearbook portrait in one outfit.

## How do the custom sessions work?

You can book a variety of session types with our studio that will fulfill your yearbook requirement and create portraits to celebrate your senior year! Session fees cover the time with your photographer. After your session you will be invited back in person or over Zoom to review your portraits with one of our friendly Portrait Consultants. They will guide you to the best collection that meets your budget and taste. Collections start at \$475. The next few pages in this guide will walk you through your session options!
